

BY-LAW 3: REGISTRATION

2009's Constitution By-law 3(h) presently reads as:

Players within the league are eligible to play with one (1) team within the Open Age division and one (1) team within any other division. Such eligible players that elect to play within both divisions shall be registered with each team in that team's respective division.

Here are the proposed change options:

- (1) 2009's language shall remain as is.
- (2) Players within the league are eligible to play with one (1) team within the Open Age division and one (1) team in any other division. Such eligible players that elect to play within both divisions shall be registered with each team in that team's respective division.
- (3) No player shall play for more than one (1) team in a division. No team shall have more than three (3) players that play for more than two (2) teams in a men's related division. Such eligible players that elect to play within both divisions shall be registered with each team in that team's respective division.
