

## BSL Privacy Policy:

### Personal Information Collected

Personal data is collected for the sole purpose of ensuring your complete and successful registration into the Ontario Soccer Association (OSA) database. The type of information we usually collect and maintain in your customer file includes the following: Name, Mailing Address, Email ID, Phone Number and Credit Card Number (for on-line registration fee payment).

### Information Sharing

Your information is not shared with any external third party except Ontario Soccer Association (OSA) for registration purposes. Your information is provided to OSA via an Internet upload into the OSA's secure registration system.

### Credit Card Information

The BSL will utilize Moneris payment systems to manage online payments for our members.

The collection of credit card payment information is carried by the Moneris systems and is limited to your credit card number and expiry date. Your credit card number is used by Moneris on their secure site to carry out your BSL registration fee transaction entered into by you via the BSL web site.

The BSL cannot view your credit card number, balance or your credit limit, nor can we charge your credit card for any amount or for any purpose.

To find out more about Moneris visit [www.moneris.com](http://www.moneris.com)

### Information Input by You

The BSL web site contains some registration forms, inquiry forms, and payment forms that require you to give us personal information such as contact and payment details. This information is only ever used for its stated purpose.

### Use of Contact Information

Your contact information is used to contact you only when necessary (or requested) in connection with transactions entered into by you on the BSL web site. Contact information can only be used for the specific transaction entered into by you.
